Re: Docket No. ⁰²⁰⁵⁵³020533-WS; Application for Amendment of Certificates Nos. 294-S and 338-W to extend water and wastewater service area in Brevard County by Burkim Enterprises, Inc.

Dear Commissioner Higgs:

On July 11, 2002, we received your letter proposing to delay Burkim Enterprises, Inc. request for the extension of its service area until Order No. PSC-01-2511-PAA-WS had been complied with including all of the specific upgrades of the utility plant to be made by Burkim.

On August 21, 2002, Mr. Ted Davis, Utility Systems/Communications Engineer, in the Bureau of Economic Regulation visited the Snug Harbor service area and inspected the utility to verify that the utility had completed the water and wastewater treatment plant improvements. The utility has completed all the water and wastewater improvements as required by Order No. PSC-01-2511-PAA. In addition, the Department of Environmental Protection considers all compliance issues resolved. The complete field investigation report was filed on September 16, 2002 in Docket No. 010396-WS. A copy of the report is provided for your convenience along with a cover memo to the report that administratively closed the staff assisted rate case docket.

The Commission notified the utility that the application for amendment for extension of service had deficiencies by a letter dated July 11, 2002. On August 14, 2002, the Commission received the utility's response to the deficiency letter. Once we have verified that all deficiencies are completed, we will recommend approval of the amendment application.
