A rec is coming down for Docket 030010, and it will include a recommendation that a decision in closed Dkt 010743 be modified. Beth wanted to be sure we sent notice to the 010743 mailing list. She is going to reference both dockets on the rec -- and subsequently on the order -- and we'll want to reopen 010743 for issuing that order and placing a copy of the rec, order, etc. in the file.

Kay

*Docket reopened.
