Hey again. Fiscal sent me a copy of this company's request for cancellation and they did include the 2002 RAF payment of \$50 so it is OK to open the docket. The company's prior letter was dated 10/11/02 -- not 11/11/02, so make the effective date 10/11/02.

Ruth, I checked my records and do not show having received any letter requesting cancellation. They owe 2002 RAF -- did they include payment with the request? If yes, it is OK to open a docket (make the effective date 11/11/02). If they did not include payment, can you fax the letter to me and I'll attempt collection first. Thanks.

Another cancellation request by QCC, Inc. (TJ505). Paula, they sent in a copy of previous cancellation request dated 11/11/02, I don't seem to find this original letter in 20000 undocketed at this time.
