Tampa Payphones, Inc. (TF015)

Dear Ms. Weaver:

The Commission received your 2002 Regulatory Assessment Fee return form with the note "No longer a provider" written on it. However, the 2002 fee was not included

This appears to be a request for cancellation. If you wish to cancel your payphone certificate with an effective date of 12/31/02, payment must be received by the due date of January 30, 2003. The Regulatory Assessment Fee is .0015% of a company's intrastate revenues, or \$50.00, whichever is greater, even if a company is no longer in business or in fact never started operations. If payment is received after the due date of January 30, 2003, statutory penalty and interest charges will apply. Any unpaid fee will be turned over to collections.

Please confirm (or deny) if you wish your certificate to be cancelled and let me know if and when the Regulatory Assessment Fee will be paid. Let me know if you have any questions, thanks.
