Dear Mr. Truesdale:

The Commission received the 2002 Regulatory Assessment Fee return with the note "No phones ever installed. Please cancel certificate." The minimum \$50.00 fee was not enclosed. The minimum fee is applicable even if no payphones were ever installed.

In order to be granted a voluntary cancellation, a certificate holder must be in good standing and not owe any fee, including penalty and interest charges. In this case, you owe a total of \$56.00 if payment is postmarked by January 30th. This includes \$6.00 penalty and interest for late payment of the 2001 fee (payment was due 01/30/02, payment was made 03/03/02). A breakdown is attached. In addition, if payment is mailed by January 30th, you will owe \$50.00 for the 2002 fee. If payment is made after January 30th, statutory penalty and interest charges will apply.

Please let me know how you wish to proceed by January 30th.
