Concise explanation, justification or comments (attach additional sheet if necessary):

Staff's recommendation in the above referenced dockets was item 6 on the February 4, 2003 agenda and was deferred by the Commission. In Docket No. 020664-TI, staff recommended that the Commission accept bigredwire's settlement proposal. However, staff was instructed to contact the company and negotiate a revised settlement proposal. The Commission also requested that the item be heard at the next agenda. Staff has discussed this matter with bigredwire and the company has indicated it will file a revised settlement proposal by the close of business (pacific time) on February 5, 2003. Because of the lack of sufficient time to review the company's revised settlement proposal and file its revised recommendation by noon on the filing date, staff is requesting that it be allowed to file its recommendation by 12 noon on Monday, February 10, 2003.
