RE: Docket No. 030084-EI
Florida Power & Light Transmission Line Need Determination

Dear Mr. Hoffman:

Staff has reviewed your draft Notice of Final Hearing for the Orange River - Collier transmission line. The notice conforms with Rule 25-22.075, Florida Administrative Code, as proposed. Staff would suggest, however, adding a section addressing the locations where interested persons could review the application. Staff would call your attention to the Notice issued in Docket No. 910578-EI, our most recent transmission line need case, for a template. If you require any further information, please do not hesitate to contact me at (850) 413-6076.

Sincerely,

A handwritten signature in black ink, appearing to read "L. Harris".
