Good morning, Ruth. I've reviewed the correspondence and RAF System and it is OK to open dockets on both of the companies below to grant voluntary cancellations with an effective date 12/31/02. Thanks.

Good morning. I have two RAF payments with attached letters.

- ✓ 1. TG780 - They submitted payment of fifty dollars and letter states "please close our account and consider this our final return."
- 2. TG136 - RAF submitted includes payment of fifty dollars; and letter addressed to Jackie Knight is notification that they removed payphone as of October, 2002. They also ask to be taken off RAFs list.

Let me know. When I get to these. I'll place them in undocketed until I hear further from you. Thanks you for your help.

Ruth.
