Want to give you a heads up that Mr. Ambrose is sending a check by Fed-X to pay 2003 RAFs.

Ruth,
Please do not open a docket yet. I need time to talk to Jackie and Lee. This company has a unique history and before we open a docket to grant a voluntary cancellation, I need more time.

Lee, This involves Mr. Robin Ambrose and he is paying the RAF and requesting cancellation. I am not sure if the other players know about his request or not. However, I think we need to kick this one about. It will be Tuesday or so before I can discuss it.

Jackie, You and I need to meet with Lee. I will try to come up with a time and day next week.

Ray, I'm going to let you make the call, knowing the dispute between the parties of this company. By the way, CCA is talking about a voluntary cancellation.

Hey, Paula. I'm sure you've gotten a copy of letter by Mr. Ambrose, he is replying to letter from J. Gilchrist. Please advice if we can open cancellation docket. Thanks.
