Concise explanation, justification or comments (attach additional sheet if necessary):

Staff filed a recommendation to reduce rates in the above referenced docket in order to remove the cost of pro forma items not completed by the utility. Staff believed that these items were no longer required by DEP and based our conclusions in the recommendation accordingly. After filing the recommendation, staff discovered that these pro forma items were not waived by DEP. This fact significantly changes staff's recommendation and position on the issues contained in the recommendation. Staff is planning on filing another recommendation to address the DEP required improvements.
