We will add the "s" but will of course need the documentation from Secy of State for docket file. Can you get that to us when you bring the rec?

Kay please add an "s" to Services so this can go on the agenda. The Sec of State has an s however the application does not. I contacted the person who filed the application and they just simply forgot to add the "s". They are Spanish speaking and to them there is no difference in the way they pronounce the whole company name.
