COMMISSION  
CLERK

Comments:

Dear Sirs:

Next time you change area codes ,do not change houses but change cell phones ,fax machines and the things that overload the system. Why should we change to accomadate the ones causing the change. Never change the house phones again . Also every time a utility asks for a rate change up, you give it to them. Dont!Let them suffer for a while like the average house hold.

Yes, I wish to be contacted
