RE: Docket No. 021011-EC - Informal Complaint Against Withlacoochee River Electric Cooperative, Inc., by Saddlebrook Resort Condominium Association, Inc., Request for Determination that Saddlebrook's Unit Owners be Allowed to Take Service from WREC through Master Meters, and for Reclassification of SRCA Owners Under WREC's Rate Structure as General Service Demand Rather than Residential

Docket No. 021011-EC was opened to address a complaint filed by Saddlebrook Resort Condominium Association, Inc. (Saddlebrook) against Withlacoochee River Electric Cooperative, Inc. However, on March 13, 2003, Saddlebrook filed its Notice of Withdrawal of Complaint with the Commission. Staff has determined that there are no pending issues that need to be addressed by the Commission regarding Saddlebrook's filing, and no agency action has been taken. Accordingly, staff believes that it is appropriate to close this docket administratively.
