Can you send me a copy of the docket title as you'd like for it to read? And I can use this e-mail as documentation for the change.

Go ahead and put me down as OPR. The heading needs to have the transfer of the ALEC certificate removed because they will only be transferring the IXC certificate.

Tommy, I really need your help on a docket. I e-mailed Jackie but she has not responded, can you come to the Clerk's office and review this new docket?
