Tallahassee, Florida 32399-0850

Dear Sir or Madam,

This letter serves as explanation of question 15-a of the Application Form for Authority to Provide Alternative Local Exchange Services within the State of Florida.

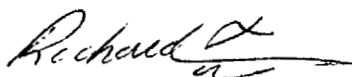

Over 10 years ago a series of events, which included the lost of my job and medical insurance, and the serious illness of a new born daughter forced me to file for personal bankruptcy in early February 1994.

This was an action that I regret. Since then, as it was prior to 1994, I have maintained my credit rating and worthiness.

If the commission needs additional information or documentation with regards to this matter, I will be glad to provide it, as I hope that this issue will not affect the commissions' decision to award our company an ALEC license. It is unfortunate that sometimes in life situations occur in which we have no control over, such as the health and medical issues I was confronted with.

If this issue should affect the commissions' decision to award our company an ALEC license, please let me know. I will then remove myself from any position within the company. I do not want for other members of this company to have to suffer the consequences of my personal problems that occurred before the inception of this company.

Most Respectfully Yours,

Richard Slinin
