RE: The cancellation of Certificate No. 5269 for Pinnacle Telecom, Inc.
to provide Alternative Local Exchange Telecommunications services in Florida.

Dear Ms. Bayo:

Pursuant to Rule 28-106.201 regarding the above stated matter, Double Link Communications, Inc. is asking the commission to not finalize the cancellation of the certificate of Pinnacle Telecom, Inc. Double Link Communications, Inc. has been paying the bill for the remaining customers of Pinnacle Telcom, Inc. Also we are creating our own account with Bell South which has taken longer then expected. Therefore we are requesting additional time before the certificate cancellation is final. Please advise on this matter.

Sincerely,

Nicky Gudmundson
Secretary/Treasurer
