Re: Docket No. 02-1142-WU; Application of AquaSource Utility, Inc. for Amendment to Certificate of Authorization for its 48 Estates System in Lake County, Florida
Our File No.: 33087.01

Dear Ms. Bayo:

The PSC Staff has asked that AquaSource Utility, Inc., file with you an explanation as to its service outside of its certificated territory of its 48 Estates Water System. Since these lots are in such close proximity to the existing customers in this territory and the fact that there were no other water providers in close proximity, the Utility's field crew assumed the customers were within the service territory. Since there were no other competing water providers, it should be obvious that providing service to these customers was not done in an effort to take an unfair advantage with a competing Utility. Attached is a schedule showing the dates each of the customers in question were connected.

Very truly yours,

MARTIN S. FRIEDMAN
