In addition, this Agreement sets forth the terms and conditions for Local Line's provision of billing number information to BellSouth for inclusion in BellSouth's LIDB. Local Line understands that BellSouth provides access to information in its LIDB to various telecommunications service providers pursuant to applicable tariffs and agrees that information stored at the request of Local Line, pursuant to this Agreement, shall be available to those telecommunications service providers. The terms and conditions contained herein shall hereby be made a part of this Resale Agreement upon notice to Local Line's account team and/or Local Contract Manager to activate this LIDB Storage Agreement. The General Terms and Conditions of the Resale Agreement shall govern this LIDB Storage Agreement. The terms and conditions contained in the attached Addendum are hereby made a part of this LIDB Storage Agreement as if fully incorporated herein.
- B. BellSouth will provide responses to on-line, call-by-call queries to billing number information for the following purposes:

II. Responsibilities of the Parties

A. BellSouth will administer all data stored in the LIDB, including the data provided by Local Line pursuant to this Agreement, in the same manner as BellSouth's data for BellSouth's End User customers. B. Billing and Collection Customers

BellSouth currently has in effect numerous billing and collection agreements with various interexchange carriers and billing clearing houses and as such these billing and collection customers ("B&C Customers") query BellSouth's LIDB to determine whether to accept various billing options from End Users. Until such time as BellSouth implements in its LIDB and its supporting systems the means to differentiate Local Line's data from BellSouth's data, the following shall apply:

1. BellSouth will identify Local Line end user originated long distance charges and will return those charges to the interexchange carrier as not covered by the existing B&C agreement. Local Line is responsible for entering into the appropriate agreement with interexchange carriers for handling of long distance charges by their end users.
2. BellSouth shall have no obligation to become involved in any disputes between Local Line and B&C Customers. BellSouth will not issue adjustments for charges billed on behalf of any B&C Customer to Local Line. It shall be the responsibility of Local Line and the B&C Customers to negotiate and arrange for any appropriate adjustments.

IV. Fees for Service and Taxes

A. Local Line will not be charged a fee for storage services provided by BellSouth to Local Line, as described in this LIDB Resale Storage Agreement.

B. Sales, use and all other taxes (excluding taxes on BellSouth's income) determined by BellSouth or any taxing authority to be due to any federal, state or local taxing jurisdiction with respect to the provision of the service set forth herein will be paid by Local Line in accordance with the tax provisions set forth in the General Terms and Conditions of this Agreement.
