Re: Docket No. 030241-EI

Dear Ms. Vining:

Following up on our recent telephone conversation regarding postponement of the Commission's decision in the subject docket, this is to advise that Progress Energy Florida, Inc. waives its right under Subsection 366.06(3), F.S., to place the previously filed rate schedules into effect absent Commission action to withhold consent within 60 days of the filing. By copy of this letter to Ms. Bayó, I am requesting that our waiver be noted in the docket file.

I trust the foregoing is sufficient for the purposes we discussed. Please let me know if you should have any questions in this regard.

Very truly yours,

James A. McGee
