Connections, Inc. for generic investigation to
ensure that BellSouth Telecommunications,
Inc., Sprint-Florida, Incorporated, and GTE
Florida Incorporated comply with obligation to
provide alternative local exchange carriers
with flexible, timely, and cost-efficient
physical collocation.

DOCKET NO. 990321-TP

Filed: April 23, 2003

Sprint's Request for Confidential Classification Pursuant to
Section 364.183(1), Florida Statutes

Sprint-Florida, Incorporated (hereinafter "Sprint") hereby requests that the Florida Public Service Commission ("Commission") classify certain documents and/or records identified herein as confidential, exempt from public disclosure under Chapter 119, Florida Statutes and issue any appropriate protective order reflecting such a decision. Sprint previously filed a Notice of Intent to Request Confidential Classification on April 3, 2003 for this information and now files this Request for Confidential Classification pursuant to the requirements of Rule 25-22.006, F.A.C.

The information that is the subject of this request contains architectural drawings of Sprint-Florida central offices, which constitute trade secrets of Sprint the disclosure of which would threaten Sprint's ability to maintain the safety and security of its facilities and which would also impair the competitive business interests of Sprint. The

information previously has been filed, under seal, with the Division of Records and Reporting.

1. The following documents or excerpts from documents are the subject of this request:

CD ROM provided in response to Staff's POD No. 15.

2. An unredacted copy of the CD ROM was submitted to the Division of Records and Reporting on April 3, 2003. Sprint is requesting confidentiality for all of the information contained on the CD and, therefore, no highlighting is applicable.

3. The information for which the Request is submitted consists of architectural drawings of Sprint's central offices in Florida where collocation exists (approximately 52 COs). Because of the nature of the information for which confidentiality is requested (that is, drawings which cannot be segregated in to confidential and nonconfidential fields) Sprint is requesting confidential treatment for all of the information contained on the CD.

4. Section 364.183(3), F.S., provides:

(3) The term "proprietary confidential business information" means information, regardless of form or characteristics, which is owned or controlled by the person or company, is intended to be and is treated by the person or company as private in that the disclosure of the information would cause harm to the ratepayers or the person's or company's business operations, and has not been disclosed unless disclosed pursuant to a statutory provision, an order of a court or administrative body, or private agreement that provides that the information will not be released to the public. The term includes, but is not limited to:

(a) Trade Secrets.

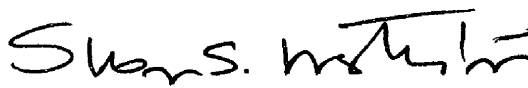

(b) Internal auditing controls and reports of internal auditors.

(c) Security measures, systems, or procedures.

- (d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the company or its affiliates to contract for goods or services on favorable terms.
 - (e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of information.
 - (f) Employee personnel information unrelated to compensation, duties, qualifications, or responsibilities.
5. The information described above meets the criteria for “proprietary confidential business information” because it constitutes trade secret information and because the release of the information would jeopardize Sprint’s ability to protect the safety and security of its facilities and the information relates to Sprint’s competitive interests, the release of which would impair Sprint’s competitive business interests. The subject information has not been publicly released.

Based on the foregoing, Sprint respectfully requests that the Commission grant the Request for Confidential Classification, exempt the information from disclosure under Chapter 119, Florida Statutes and issue any appropriate protective order, protecting the information from disclosure while it is maintained at the Commission.

RESPECTFULLY SUBMITTED this 23rd day of April 2003.

Susan S. Masterton
