Re: Capsule Communications, Inc.; Docket No. 021263-TI

To Whom It May Concern:

Pursuant to staff request, I am writing to provide an explanation regarding Capsule Communications, Inc.'s ("Capsule") failure to file its Regulatory Assessment Fee reports for 2001 and 2002. Capsule was acquired by Covista on February 8, 2002. Following the acquisition, as is usual in these circumstances, personnel cuts and internal reorganizations, resulted in regulatory compliance being neglected. When Covista became aware of the situation, it immediately engaged this law firm, which now represents both companies, to take over responsibility for regulatory compliance. Capsule recently entered into an agreement with an outside regulatory compliance company to handle ongoing compliance matters. Covista and Capsule are both under contract with Telecom Compliance Services, Inc., and are both represented by this law firm on all regulatory matters. All reports should be filed timely in the future. In addition, the company intends to comply with all Commission rules and regulations, and believes that it would be in the public interest to grant its application in the above-referenced docket.

Please return a stamped copy of the extra copy of this letter in the enclosed preaddressed prepaid envelope. If you have any questions regarding this matter, please do not hesitate to call me.

Respectfully submitted,

Lance J.M. Steinhart, Esq.
Attorney for Capsule Communications, Inc.
