RE: Promise-Net International, Ltd. Docket No. 981636-TI

Dear Ms. Bayo:

By this letter, Miller Isar, Inc., on behalf of its client, Promise-Net International, Ltd. ("Promise-Net"), hereby informs the Florida Public Service Commission of its intent to withdraw from the provision of interexchange services in the State of Florida. Promise-Net respectfully requests that its certification be cancelled, that its tariff be withdrawn, and that it be authorized to cease providing interexchange telecommunications services in the State of Florida. In support of its request, Promise-Net states as follows.

Promise-Net was granted intrastate operating authority as a non-facilities-based reseller of interexchange telecommunications services in Docket No. 981636-TI on March 25, 1999. In late 2002 Promise-Net made an affirmative business decision to conclude its interexchange telecommunications service business offerings and pursue other business interests.

Promise-Net implemented a transition plan to inform its interexchange service subscribers of the Company's intent to cease providing services, and began migrating its current subscriber base to each subscriber's alternative carrier of choice. Telephonic customer notice was provided no less than 30 days prior to the conclusion of service to all customers. A copy of Promise-Net's customer notification script is attached.

At no time has Promise-Net served more than 400 subscribers in the State of Florida. All subscribers were migrated to other carriers by December 31, 2002. Any amounts due to subscribers were refunded with the subscriber's final bill. No outstanding amounts are due to any former subscriber. In light of the foregoing, Promise-Net requests further that any customer notice requirements be waived as moot.

Thank you for your attention to this matter. Questions may be directed to Ms. Linda Jacobson, Promise-Net representative, Telephone 770.985-7302 x106, facsimile 770.985.9314, or electronic mail at Linda@stiesa.com, or to the undersigned.

SECTION 63.71 APPLICATION

Promise-Net International, Ltd. ("Promise-Net"), pursuant to Section 214(a) of the Communications Act of 1934, as amended, 47 U.S.C. §214(a), and Section 63.71 of the rules of the Federal Communications Commission ("FCC" or "Commission"), 47 C.F.R. §63.71, hereby requests authority to discontinue in the provision of resold domestic U.S. interstate interexchange and international telecommunications services throughout its U.S. service territory. Promise-Net request stems from an affirmative business decision to cease providing resold international and domestic interstate interexchange telecommunications services. Promise-Net is a non-dominant carrier with respect to the interexchange services being discontinued. Promise-Net currently serves no customers.

Promise-Net therefore requests authority to discontinue in the provision of service and conclude any continuing obligation to provide service. In support of its Application, Promise-Net states as follows.

I. INFORMATION PURSUANT TO SECTION 63.71(a)

Pursuant to section 63.71(a) of the rules of the FCC, 47 C.F.R. §63.71, Promise-Net provides the following information:

2) Date of planned service discontinuance:

Promise-Net plans to discontinue services immediately upon a grant of the instant Application.

3) Geographic areas affected:

5) Brief description of the dates and methods of notice to all affected customers

Promise-Net implemented a transition plan to inform its international and interexchange service subscribers of the Company's intent to cease providing services, and began migrating its subscriber base to each subscriber's alternative carrier of choice.

II. CIRCUMSTANCES OF DISCONTINUANCE

In late 2002 Promise-Net made an affirmative business decision to conclude its international and domestic interstate telecommunications service offerings and pursue other business interests.

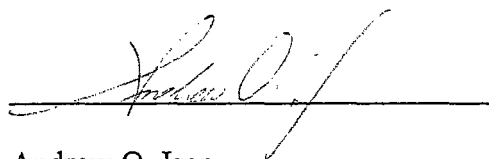

Promise-Net maintains that its request for service discontinuance is consistent with the public interest, in no way impacts former subscribers or the public, and should be granted. Promise-Net therefore requests authority to discontinue service.

III. CONCLUSION

Promise-Net maintains that the proposed discontinuance is reasonable, necessary, and consistent with the public interest. Promise-Net has taken all reasonable action, to the extent it is able, to ensure that the discontinuance of service is not disruptive to the present or future public convenience and necessity. Customers have been provided timely notice. For the foregoing reasons, Promise-Net respectfully requests, pursuant to Section 214(a) of the Communications Act of 1934, as amended, 47 U.S.C. §214(a), and Section 63.71 of the Commission's Rules, that the Commission approve Promise-Net's Section 63.71 application to discontinue the provision of domestic interexchange and international services in the jurisdictions specified herein.

Respectfully submitted this 21st day of 2003.
