Subject: RE: 030433-TX

Thanks! We suspected they had just checked the wrong box, and went on and set it up as an application, so we'll keep it as that.

Thank you for following up on it. I'll put a copy of this e-mail in the docket file.

Kay

You sent an e-mail to Jackie Gilchrist on May 9th because an application had been marked as a transfer of control. I called the company and asked about that and was told it was a mistake. This is just a regular ALEC application.
