Docket No. 030330-EU

Submitted for filing:
May 16, 2003

**RESPONSE OF PROGRESS ENERGY FLORIDA
TO STAFF'S DATA REQUEST**

Progress Energy Florida, Inc., hereby responds to Staff's data request date April 16, 2003 as follows:

1. Please identify all transfers of facilities, facility purchases, and new facilities, that are necessary to implement the proposed retail territorial boundaries modifications in each of the five areas proposed for modification. If facilities are to be transferred, purchased or constructed, please include a proposed timetable for completing each of the necessary activities.

Response:

No electric service is currently provided within the five areas subject to the proposed modification of the territorial boundary line.

2. Will the end-use facilities of all existing customers of either utility be located wholly within their designated service area upon Commission approval of the addendum to the territorial agreement?

Response:

Yes.

3. Please list the accounts of all existing customers that will be transferred due to the proposed retail territorial boundaries modifications in each of the five areas proposed for modification. Include in your response a copy of the customer notification letter, the number of customers objecting to the transfer, the concerns expressed by the objecting customers, and the method used to transfer customer deposits.

Response:

There will be no transfer of customers due to the proposed modification of the territorial boundary line.

Respectfully submitted.
