RE: Docket No. 030001-EI - Fuel and Purchased Power Cost Recovery Clause with Generating Performance Incentive Factor

Confidential Document No. 04238-03

On May 9, 2003, in the above-referenced docket, Tampa Electric Company (Tampa Electric) filed a notice of intent to request confidential classification of various documents identified by the Office of Public Counsel (OPC) for use in depositions. Along with the notice of intent, Tampa Electric filed those documents (Document No. 04238-03) so that the Commission staff would be able to refer to the documents during OPC's depositions. The depositions have concluded, and these documents should now be returned to Tampa Electric.
