Todd Bohrmann, Division of Economic Regulation *WCK*

RE: Docket No. 030001-EI - Fuel and Purchased Power Cost Recovery Clause with Generating Performance Incentive Factor

Confidential Document No. 12030-02 (Cross-Reference Document Nos. 11101-02 and 11649-02)

On November 4, 2002, in Docket No. 020001-EI, Florida Power & Light Company (FPL) filed a request for confidential classification of its responses to Staff's Interrogatories Nos. 34-36, 49, 50, 54, 61-63, 65-67, 77, and 79, and its responses to Staff's Document Requests Nos. 7 and 9-11 (collectively identified as Document No. 12030-02). By memorandum dated December 16, 2002, staff indicated that FPL's responses to Interrogatories Nos. 34-36, 50, 54, 61-63, and 65-67, and Document Request No. 11 were no longer needed by staff and should be returned to FPL. Staff also indicated that FPL's response to Interrogatory No. 79 and Document Requests Nos. 7, 9, and 10 should be retained.

Staff's December 16, 2002, memorandum failed to address FPL's response to Interrogatories Nos. 49 and 77. The memorandum should have indicated that FPL's response to Interrogatory No. 49 had been reviewed by staff and should be returned to FPL. Thus, that response should now be returned to FPL. FPL's response to Interrogatory No. 77 should continue to be retained.
