Re: Submission of Corrected Lease & Proof of Recordation in Docket No. 010869-WS - Application for Staff-Assisted Rate Case in Marion County by East Marion Sanitary Systems, Inc.

Dear Mr. Hein:

As discussed this afternoon, the proof of recording is still incorrect. Please mail a copy of the complete corrected lease and corrected proof of recording to:

Division of the Commission Clerk and Administrative Services
2540 Shumard Oak Blvd.
Tallahassee, FL 32399-0850
Reference Docket No. 010869-WS

I have advised our internal scheduling document to show this to be done by June 11, 2003. If you are unable to complete this request by that date, please explain in writing why and request an extension of time. I will then take that request before the Commission for them to determine whether an extension of time or a show cause proceeding is warranted.

Pursuant to Order No. PSC-02-1168-PAA-WS, a lease should have been submitted by February 26, 2003. It is now over three months past that date and we have still not received a complete and correct lease. Pursuant to Section 367.161, Florida Statutes, the Commission may impose a fine of up to \$5,000 per day for each day that a utility violates a Commission rule, order, or statute.

Hopefully this is the last step that needs to be taken in this docket and you will not need any additional time.

Sincerely,
