Dear Mr. D'Haeseleer:

This letter is to request that the Florida Public Service Commission notify the Federal Universal Fund Administrator and the Federal Communications Commission that Frontier Communications of the South, Inc. ("Frontier") is eligible to receive federal high-cost support in accordance with the above-referenced statute and federal rule.

The amount of federal high-cost support Frontier will receive in 2003 will continue to be used for the services and functionalities outlined in 47 C.F.R. §54.101(a) and, as the attached affidavit shows, Frontier certifies that it will only use the federal high-cost support it receives for the provision, maintenance and upgrading of facilities and service for which such support is intended.

This state certification for federal support will be an annual process. In order to receive federal support beginning January 1 of each year, the Florida Public Service Commission must file its annual certification on or before October 1 of the year before.

Frontier respectfully requests that the Commission notify the FCC prior to October 1 of this year that Frontier is eligible to receive federal high-cost support for 2003.
