Hello.

I need some help. When Beth was on maternity leave there were 4 boxes of documents that had reached their declassification date in Docket 960786-TL and i forwarded these documents to GCL because they all pertained to discovery. Then i thought i rec'd. an e-mail ??? from someone in GCL telling me to return these documents to the source. does any of this sound familiar ??? thanks.

Below is a list of the confidential DNS i am referring to.
