Re: Docket No. 020745-SU, Application for certificate to provide wastewater service in Charlotte County by Island Environmental Utility, Inc.

Dear Mr. Friedman:

In its February 20, 2003 notice of deficiencies, staff indicated that the docket was deficient with respect to the facility description and cost information required to be provided by Rule 25-30.033(1)(k), (m), (n), (o), (p), (q), (t), (u), (v), (w), (2), (3), and (4), Florida Administrative Code. To date, the application is still deficient with respect to this information. As you are aware, the issue identification meeting is scheduled for July 16, 2003. This is one month in advance of direct testimony due August 15, 2003. If the facility description and cost information are not yet available, this application may be premature.

Sincerely,

  
Patti Daniel  
Supervisor of Certification
