RE: Filing audiotapes from staff's 2/5/03 Informal Meeting and 4/2/03 Staff Workshop *Rob*

Per your phone message, this memo requests that the audiotapes from the 2/5/03 Informal Meeting and the 4/2/03 Staff Workshop be filed in CMS in Docket No. 03-0000 (undocketed matters).

On February 5, 2003, MMS staff held an Informal Meeting with ILECs and CLECs on local competition, titled "Assessing Competition in Florida's Telecommunications Market." On April 2, 2003, MMS staff held a staff workshop with ILECs and CLECs on the same topic, titled "Assessing Competitive Markets in Florida." Staff taped the Meeting and the Workshop, resulting in 1 audiotape for the Meeting and two for the Workshop.

Yesterday, in response to request for a copy from MCI, I brought the original audiotapes to Records and requested that they be filed.

If you have any questions, please let me know.
