Dear Mr. Pollara:

Payment for the 2002 Regulatory Assessment Fee was due January 30, 2003. As of this date, payment has still not been received. A delinquent notice was mailed on February 21, 2003, via certified mail, which was signed for and delivered. On April 11th, I wrote you and explained that payment had not been received and enclosed a copy of the 2002 Regulatory Assessment Fee return form.

The fee is .0015% of a company's intrastate revenues, or \$50.00, whichever is greater. The fee is due even if a company never started operations or had any revenues. In addition, statutory penalty and interest charges are applicable.

Please pay the past due amount to avoid an enforcement docket from being established for violation of Rule 25-4.0161, Florida Administrative Code. Let me know if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Paula J. Isler".

Dear Mr. Pollara:

The Regulatory Assessment Fee (RAF) is due by January 30th of each year for the preceding calendar year. For certificate holders, the RAF is owed even if a telecommunications company may not have started operations or had any revenues. If payment is made after the due date, then statutory penalty and interest charges are applicable.

Our records show that the 2002 RAF return notice was mailed on December 12, 2002, and a delinquent notice was mailed on February 20, 2003. As of this date, our records do not show receipt of the RAF return or payment. A copy of the 2002 RAF return form is enclosed. Our records also show that you have a small past due balance for late payment of the 2001 fee, which must be paid. A breakdown is enclosed.

If full payment, including penalty and interest charges, along with the RAF return form, are not received by April 30, 2003, a docket will be established. Your company will be fined or your certificate cancelled if you do not respond. Our records show that if a docket is established, this will be the company's second docket for the same rule violation. Please note that once a docket has been established, **just paying the delinquent RAF amount will not prevent your certificate from being cancelled.**

If you wish to cancel your certificate voluntarily and leave in good standing with the Commission, your company should pay the past due amount in full, complete the 2002 RAF return form, either pay the 2003 RAF or provide a date certain it will be paid, and comply with the requirements of Rule 25-24.820, Florida Administrative Code, copy enclosed. Any unpaid RAFs, including penalty and interest charges, are turned over to the Florida Department of Financial Services for further collection efforts.

If you have any questions, please contact me at (850) 413-6502, by fax at (850) 413-6503, by e-mail at pisler@psc.state.fl.us, or by writing to me at the address below.
