Jackie -- disregard the e-mail below. I jumped to the wrong conclusion. In reviewing the complete file, I noted the company had requested cancellation of his certificate previously and that it was the 2003 RAF return that he had sent back and paid. This will be a voluntary cancellation and I'll be putting it in your box as I normally do. Sorry for the confusion. In my opinion, I don't believe there is any need to check up on the possibility of a name change since he wants to cancel the certificate anyway, but that will be your call.

Hi Jackie. Just wanted to let you know that I'm going to put a copy of a file on the above company. Mr. Cantrell returned his 2002 RAF return and had written on the form that the company name was "San Martin Group." There is no docket pending to change the name from his personal name to San Martin Group and CCA asked that we contact the company and provide procedures for changing the name on a payphone certificate. Thanks.
