Okay. I'm also going to have to move/copy the initial filing made by Time Warner and use this e-mail for documentation. We'll open your docket shortly.

You can title the above docket; Acknowledgement of name change on Intrastate Interexchange Registration. Use the old docket title on the new CLEC title minus IXC stuff.

Sorry Ruth but I was just informed that the two are going to have to go separately. In otherwords the IXC and CLEC name change has to be separate dockets. The CLEC still has a PAA order where the IXC doesn't and we close the docket with a memo. Sorry, but open a new docket for the CLEC name change.

Ruth,

Souldn't we change the docket title to change Certificate No to Registration No. TJ614.
That is the way I'm going to write my rec.
