Re: Docket # 020745-SU Island Environmental Utility, Inc.

Before I submit my interrogatory, I require one with the exact wording and terminology as the one I'm given, from each and every person involved in the Application for certificate to provide wastewater service in Charlotte County, including Martin S. Friedman. Take note that during our conference call, he refused to name the individuals other than Jack Boyer. Please order him to do so.

If all parties do not submit an identical interrogatory, I request their application be denied.

CC: The usual Commission members, our side and their side.
Also, Charles M. Davidson, Commissioner and Prehearing Officer.

Thanks, Rosanne.
