Re: City Gas Company of Florida Rate Case
Docket No. 030569-GU

Dear Chairman Jaber:

In its test year notification pursuant to Rule 25-7.140, City Gas Company of Florida (Company) notified your office of its intent to file a petition for general rate increase with a filing date of August 12, 2003. This notification was acknowledged by your office.

Pursuant to Rule 25-7.140(3), this is to advise you that the Company cannot meet that filing date due to a delay in the reproduction and binding process for the testimony and MFRs. The Company will be filing the petition and supporting documents on August 13, 2003, one day later than originally projected.

If you have any questions regarding this notification, please feel free to have your staff contact me at 425-2313.

Very truly yours,

Richard D. Melson
Attorney for City Gas Company of Florida
