Docket _____

**Application to Cancel
Certificate of Public Convenience and Necessity**

NOW COMES Telmatch Telecommunications, Inc. ("Telmatch") and in support of its Application to cancel its Certificate of Public Convenience and Necessity states the following:

1. On June 24, 1997, in Docket No. 97-0311, Telmatch was issued a Certificate of Public Convenience and Necessity ("Certificate") to provide interexchange telecommunications service as a result of a transfer of control.
2. Due to a change in the business direction of the company Telmatch no longer seeks to be a provider of interexchange telecommunications services within the State of Florida.
3. Telmatch has no customers in the State of Florida. As a result, cancellation of Telmatch's Certificate is reasonable and would not be unduly disruptive to the present or future public convenience.

NOW THEREFORE, by filing this verified Application, Telmatch Telecommunications, Inc. d/b/a Benefits Plus seeks the entry of an Order by the Florida Public Service Commission ("Commission") canceling and terminating both its Certificate and tariff effective with the date of such Order of the Commission.

Respectfully Submitted,
