RE: Docket No. 030633-TX - Phantom Networks, Inc.

This docket was established on July 16, 2003, for nonpayment of the 2002 Regulatory Assessment Fee. On August 14, 2003, the Division of the Commission Clerk and Administrative Services notified me via memo dated August 13th, copy attached, that the Commission had received returned mail addressed to this company. I called the telephone number listed in MCD and it was answered as "R & F Accounting." I attempted to use R&F Accounting's electronic employee directory, but was advised there was no employee by the Commission liaison's name, Steve Wall. I then called Directory Assistance and was provided telephone number 954-630-9029. I called that number and a recording advised the number had been temporarily disconnected.

Based on the above, please change the docket title to also reflect the Reporting Requirements violation. The docket title should read:

Cancellation by Florida Public Service Commission of CLEC Certificate No. 7854 issued to Phantom Networks, Inc. for violation of Rules 25-4.0161, F.A.C., Regulatory Assessment Fees; Telecommunications Companies and 25-24.835, F.A.C., Rules Incorporated.

In addition to changing the docket title, please document the returned mail in the docket file, and change Staff Counsel from Victor McKay to Linda Dodson. Let me know if you have any questions.
