Re: Water Management Services, Inc. -- Docket No. 000694-WU  
Tariff Sheets

Dear Ms. Bayó:

Enclosed for filing on behalf of Water Management Services, Inc. (WMSI) are four copies of the following tariff sheets. These revised sheets include the temporary Phase II rates approved by the Commission at its September 2, 2003 agenda conference.

- Third Revised Sheet No. 17
- Third Revised Sheet No. 18
- Second Revised Sheet No. 24.0
- Third Revised Sheet No. 24.1

WMSI will submit an affidavit of customer notice as soon as the notice process has been completed. We respectfully request that these tariff sheets be approved with as early an effective date as possible once the affidavit of notice has been filed with the Commission.

If you have any questions, please give me a call at (850) 425-2313.

Very truly yours,

Richard D. Melson

**APPLICATION FOR WATER SERVICE**  
**RESIDENTIAL AND GENERAL WATER SERVICE AGREEMENT**

---

This agreement, between Water Management Services, Inc., hereinafter called the Utility, and \_\_\_\_\_, hereinafter called the Customer.

WITNESS:

WHEREAS, the Customer desires to purchase domestic water service from the Utility and to enter into a water users agreement as provided by the Utility.

NOW, THEREFORE, in consideration of the mutual covenants, promises, and agreements herein contained, it is hereby understood and agreed:

The Utility shall furnish, subject to the limitations hereinafter provided for, such quantity of water for domestic use or purposes as the Customer may desire in connection with his occupancy of the following described property:

Lot	Block Number	Subdivision
-----	--------------	-------------

The Customer shall install and maintain at his own expense the service line which shall begin at the property line and extend to the dwelling. The Customer must provide evidence that a structure is or will be present at the service location. Evidence may include a building permit, or the installation of any device capable of delivering water, such as a faucet on the property. The device must be inspected and approved by the Utility. A meter will not be placed on the property until the evidence is produced.

The Customer shall pay for such water service at the following rates per month, effective as of the date of this agreement:

METER SIZE	BASE FACILITY CHARGE
5/8" x 3/4"	\$ 33.06
1"	\$ 82.66
1 1/2"	\$ 165.34

**MINIMUM CHARGE** - The minimum charge per month is the base facility charge for the respective meter size. This charge covers the availability of water service, and accordingly continues to accrue whether the Customer has any device capable of delivering water, whether water service is connected or disconnected. All base facility charges must be paid prior to service being reconnected at the same location.

The Utility will purchase and install a water meter with a cut-off valve in each service. The meter is the exclusive property of the Utility and the Customer shall not tamper with the meter. The Utility shall have exclusive right to use of such cut-off valve and to turn it on and off according to the rules and regulations of the Utility. If the Customer wants the use of a cut-off valve, it must be installed in the Customer's water line on Customer's side of the meter and at Customer's expense. The Utility shall have the right to install the service line of the meter on the property of the Customer.

The Utility shall have final jurisdiction in any question of location of any service line connection to its distribution system; may shut off the water to a Customer who tampers with the meter or who allows a connection or extension to be made on his service line or the meter on the property of the Customer.

The Utility shall have final jurisdiction in any question of location of any service line connection to its distribution system; may shut off the water to a Customer who tampers with the meter or who allows a connection or extension to be made on his service line or the meter on the property of the Customer. The Customer will pay the cost of extending the line from the meter to the edge of the Customer's property if the Utility's service line is not already adjacent to the property line as well as all line extension expenses from the edge of the property to the Customer's residence.

The failure of a Customer to pay water and service charges duly imposed shall result in the automatic imposition of the following policies:

- A. Bills are due and payable when rendered and become delinquent if not paid within twenty (20) days. After ten (10) days written notice, service may be discontinued.
- B. If service is disconnected by reason of non-payment, a reconnect fee of \$15.00 will be paid for reconnection in addition to payment of past due accounts before reconnection of service is made.
- C. If a service representative visits a premises for the purpose of discontinuing service for non-payment of a due and collectible bill and does not discontinue service because the customer pays the service representative or otherwise makes satisfactory arrangements to pay the bill, a premises visit fee of \$13.00 will be paid in addition to the payment for service.

The Customer agrees to abide by the Rules and Regulations of this Utility.
