Dear Ms. Blanca Bayo:

This is in reference to docket number 030621. Over a year ago, KingTel, Inc. had updated its mailing address with the Florida Public Service Commission. Unfortunately, the commission happened to send the 2002 Regulatory Assessment Fee form to the former address, which was not the current address of the company at the time it was sent.

As per my conversation with Ms. Paula Isler, I was advised to pay the fine plus the penalty and interest charges, which I have done so. Due to the fact that the Assessment fee form was sent to the wrong address, I would like to request the commission to dismiss this open docket against KingTel, Inc.

Thanks,

  
Worlking Pierre  
President.

RE:

Docket No. 030621-TX

Dear Mr. Pierre:

The 2002 Regulatory Assessment Fee return form is attached. Please complete and return it with payment. Since you stated that you did not have any revenues in 2002, KingTel, Inc. owes the minimum \$50.00 fee, plus statutory penalty (\$12.50) and interest (\$3.50) charges, for a **total of \$66.00**.

I've also attached a copy of KingTel's reporting requirements. Yesterday, I returned your call using area code 754 but noticed that the attached states the area code is 954. Please make any corrections on the attached sheet and return it with your payment.

In addition, since you wish to keep the company's certificate active, I've attached the company's options for resolving this docket. Let me know if you have any questions.

Paula Isler
