Concise explanation, justification or comments (attach additional sheet if necessary):

At the September 2, 2003, Agenda Conference, the Commission directed staff to bring a recommendation to the September 16, 2003, Agenda Conference addressing whether or not public customer hearings should be conducted in these dockets, and if so, how this should be accomplished. Staff was also instructed to discuss with the parties the feasibility of stipulating the transcripts from such hearings into the record. Staff requires additional time to complete said analysis and discuss stipulation with the parties. Therefore, staff asks that we be given additional time, until Tuesday, September 9, 2003, at noon, to complete and file the recommendation.
