WHEREAS, Smart City and Nextel exchange calls between their networks and wish to establish Interconnection and Reciprocal Compensation arrangements for exchanging traffic as specified below;

WHEREAS, Smart City’s entry into this Agreement does not waive its right to maintain that it is a rural company exempt from Section 251(c) pursuant to Section 251(f) of the Communications Act of 1934, as amended by the Telecommunications Act of 1996 (the “Act”);

WHEREAS, Sections 251 and 252 of the “Act”, have specific requirements for Interconnection, and the Parties intend that this Agreement meets these requirements; and,

NOW, THEREFORE, in consideration of the mutual provisions contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Smart City and Nextel hereby agree as follows:

II. Article II

1. DEFINITIONS

Special meanings are given to common words in the telecommunications industry, and coined words and acronyms are common in the custom and usage in the industry. Words used in this contract are to be understood according to the custom and usage of the telecommunications industry, as an exception to the general rule of contract

interpretation that words are to be understood in their ordinary and popular sense. In addition to this rule of interpretation, the following terms used in this Agreement shall have the meanings as specified below:

- 1.1 “Act” means the Communications Act of 1934, as amended.
- 1.2 “Affiliate” means a person that (directly or indirectly) owns or controls, is owned or controlled by, or is under common ownership or control with, another person. For purposes of this paragraph, the term “own” means to own an equity interest (or the equivalent thereof) of more than 10 percent.
- 1.3 “Central Office Switch” means a switch used to provide Telecommunications Services, including, but not limited to:
 - (a) “End Office Switch” is a switch in which the subscriber station loops are terminated for connection to either lines or trunks. The subscriber receives terminating, switching, signaling, transmission, and related functions for a defined geographic area by means of an End Office Switch.
 - (b) “Remote End Office Switch” is a switch in which the subscriber station loops are terminated. The control equipment providing terminating, switching, signaling, transmission, and related functions would reside in a host office. Local switching capabilities may be resident in a Remote End Office Switch.
 - (c) “Host Office Switch” is a switch with centralized control over the functions of one or more Remote End Office Switches. A Host Office Switch can serve as an end office as well as providing services to other remote end offices requiring terminating, signaling, transmission, and related functions including local switching.
 - (d) “Tandem Office Switch” is a switching system that establishes trunk-to-trunk connections. Local tandems switch calls from one end office to another within the same geographic area, and access tandems switch traffic from an end office to and from an Interexchange Carrier. A Tandem Office Switch can provide host office or end office switching functions as well as the tandem functions. A Central Office Switch may also be employed as a combination End Office/Tandem Office Switch.
- 1.4 “Commercial Mobile Radio Services” or “CMRS” means Commercial Mobile Radio Services as defined in 47 C.F.R. Part 20.
- 1.5 “Commission” means the Florida Public Service Commission.
- 1.6 “Extended Area Service” or “EAS” is defined as traffic that originates in one exchange and terminates in another exchange, where the originating and terminating exchanges have an arrangement between them such that a separate

toll charge is not applied. The terms EAS and EAS Exchanges are as defined and specified in Smart City's then current General Subscriber Service Tariff.

- 1.7 "Effective Date" means the date first above written.
- 1.8 "FCC" means the Federal Communications Commission.
- 1.9 "Interconnection" for purposes of this Agreement is the linking of Smart City and Nextel networks for the exchange of Local Telecommunications Traffic described in this Agreement.
- 1.10 "Interexchange Carrier" or "IXC" means a carrier, other than a CMRS provider (with the exception of certain interstate interexchange services provided by CMRS carriers, which are subject to interstate access charges) or LEC that provides or carries, directly or indirectly, InterLATA Service or IntraLATA Toll Traffic.
- 1.11 "InterLATA Service" means telecommunications between a point located in a local access and transport area and a point located outside such area.
- 1.12 "IntraLATA Toll Traffic" means those intraLATA station calls that are not defined as Local Telecommunications Traffic in this Agreement.
- 1.13 "Local Access and Transport Area" or "LATA" is as defined in the Act.
- 1.14 "Local Service Area" means, for Nextel, Major Trading Area Number 13 (Tampa-St. Petersburg-Orlando) and for Smart City, its local calling area contained in Smart City's then current General Subscriber Service Tariff.
- 1.15 "Local Telecommunications Traffic" is defined for all purposes under this Agreement as Local Service Area traffic that (a) is originated by a customer of one Party on that Party's network, (b) terminates to a customer of the other Party on the other Party's network within the same Major Trading Area (MTA), and (c) may be handled pursuant to an approved interconnection agreement between the originating Party and a carrier which performs only a contractual transiting function for the originating Party in lieu of a direct connection between the Parties, provided that the service provided by Nextel is a two-way mobile service. For purposes of determining originating and terminating points, the originating or terminating point for Smart City shall be the end office serving the calling or called party, and for Nextel shall be the originating or terminating cell site location which services the calling or called party at the beginning of the call.
- 1.16 "Local Exchange Carrier" or "LEC" is as defined in the Act.
- 1.17 "Major Trading Area" or "MTA" means Major Trading Area as defined by the FCC in 47 C.F.R. Part 24.202.

- 1.18 “Mobile Switching Center” or “MSC” is a switching facility that performs the switching for the routing of calls among its mobile subscribers and subscribers in other mobile or landline networks. The MSC is used to connect and switch trunk circuits within the wireless network and between the wireless network and the public switched network for wireless traffic by a CMRS provider.
- 1.19 “Non-Local Telecommunications Traffic” – Traffic that originates and terminates in different MTAs. Non-Local Telecommunications Traffic includes traffic that is rated as Local Telecommunications Traffic, based on the rate centers associated with the originating and terminating numbers, but originates and terminates in different MTAs.
- 1.20 “NPA” or the “Number Plan Area” also referred to as an “area code” refers to the three-digit code which precedes the NXX in a dialing sequence and identifies the general calling area within the North American Numbering Plan scope to which a call is routed to (i.e., NPA/NXX-XXXX).
- 1.21 “NXX” means the three-digit code, which appears as the first three digits of a seven-digit telephone number within a valid NPA or area code.
- 1.22 “Party” means either Smart City or Nextel, and “Parties” means Smart City and Nextel.
- 1.23 “Point of Interconnection” (“POI”) means that technically feasible point of demarcation where the exchange of Local Telecommunications Traffic between two carriers takes place.
- 1.24 “Rate Center” means the specific geographic point and corresponding geographic area that is associated with one or more NPA-NXX codes that have been assigned to an incumbent LEC for its provision of exchange services.
- 1.25 “Reciprocal Compensation” means an arrangement between two carriers in which each receives compensation from the other carrier for the Transport and Termination on each carrier’s network of Local Telecommunications Traffic, as defined in Section 1.15 above, that originates on the network facilities of the other carrier.
- 1.26 “Telecommunications” means the transmission, between or among points specified by the user, of information of the user's choosing, without change in the form or content of the information as sent and received.
- 1.27 “Telecommunications Carrier” means any provider of telecommunications services (as defined in the Act), except that such term does not include aggregators of telecommunications services (as defined in 47 U.S.C. Section 226(a)(2)).

- 1.28 “Termination” means the switching of Local Telecommunications Traffic at the terminating carrier’s End Office Switch, or equivalent facility, and delivery of such traffic to the called party.
- 1.29 “Transport” means the transmission and any necessary tandem switching of Local Telecommunications Traffic subject to Section 251(b)(5) of the Act from the Point of Interconnection between the two carriers to the terminating carrier’s End Office Switch that directly serves the called party, or equivalent facility provided by a carrier other than an incumbent LEC.
- 1.30 “Type 1 Service” often referred to as a line-side trunk connection, is a service that involves connection to a telephone company end office similar to that provided to a private branch exchange (PBX). A type 1 Service is offered in connection with the provision of telephone numbers hosted by an Smart City switch.
- 1.31 “Type 2 Service” often referred to as a trunk side connection, is a service that involves interconnection to a telephone company end office (Type 2-B) or tandem (Type 2-A).

2.0 INTERPRETATION AND CONSTRUCTION

All references to Sections, Exhibits and Schedules shall be deemed to be references to Sections of, and Exhibits and Schedules to, this Agreement unless the context shall otherwise require. The headings of the Sections and the terms are inserted for convenience of reference only and are not intended to be a part of or to affect the meaning of this Agreement. Unless the context shall otherwise require, any reference to any agreement, other instrument or other third party offering, guide or practice, statute, regulation, rule or tariff is for convenience of reference only and is not intended to be a part of or to affect the meaning of a rule or tariff as amended and supplemented from time-to-time (and, in the case of a statute, regulation, rule or tariff, to any successor provision).

3.0 SCOPE

3.1 This Agreement is intended, inter alia, to describe and enable specific Interconnection and Reciprocal Compensation arrangements between the Parties. This Agreement does not obligate either Party to provide arrangements not specifically provided for herein.

3.2 This Agreement sets forth the terms, conditions, and rates under which the Parties agree to interconnect the CMRS network of Nextel and the Smart City network of Smart City for purposes of exchanging Local Service Area traffic, provided that the service provided by Nextel to its customer is a two-way mobile service as defined in 47 U.S.C.

§153(27). Smart City and Nextel do not agree whether mobile service, as defined in 47 U.S.C. §153(27), includes the provision of fixed wireless services and therefore disagree on the regulatory treatment applicable to exchange of such traffic. Nextel does not currently provide fixed wireless services in Smart City's Local Service Area. Nextel agrees that it will provide Smart City prior notice of its intent to launch fixed wireless services in Smart City's Local Service Area. Upon Smart City's receipt of such notice, the Parties agree to negotiate an appropriate agreement or an Amendment to this Agreement, which will address the exchange of such traffic.

3.3 Nextel represents that it is a CMRS provider of telecommunications services to subscribers in MTA No. 13 (Tampa-St. Petersburg-Orlando). Nextel's NPA/NXXs are listed in Telcordia's Local Exchange Routing Guide ("LERG") for Operating Company Number ("OCN") 6232 in the state of Florida. Nextel shall not directly connect to any Smart City end user customers within Smart City's operating territory.

3.4 This Agreement is limited to Smart City end user customers' traffic for which Smart City has tariff authority to carry. Smart City's NPA/NXX(s) are listed in the LERG under OCN 0330.

3.5 Nextel may order facilities from Smart City for delivery of EAS traffic directly to Nextel. If Nextel orders such facilities, the Parties agree that an NPA/NXX assigned to Nextel shall be included in any EAS calling scope to the same extent as any other incumbent LECs NPA/NXX in the same rate center provided that Nextel assigns numbers from such NPA/NXX(s) to customers that are within the Local Service Area of Smart City and that Nextel has network facilities to serve such customers.

3.6 The traffic that is exchanged through an Interexchange Carrier ("IXC") is not covered under this Agreement

4.0 SERVICE AGREEMENT

Description of Arrangements. This Agreement provides for the following interconnection and arrangements between the networks of Smart City and Nextel. Additional arrangements that may be agreed to in the future will be delineated in Attachment A to this Agreement. Routing of traffic shall be as described in this section, except that, alternatives may be employed in the event of emergency or temporary equipment failure.

4.1 Interconnection at Lake Buena Vista: A direct interconnection trunk group is provided and provisioned between Smart City's Lake Buena Vista End Office Switch and Nextel's point of presence in the Lake Buena Vista exchange, with the POI designated at Smart City's Lake Buena Vista switch. This trunk group is provisioned in connection with Nextel's NPA/NXX(s) rate centered at Smart City's exchange(s) or EAS

exchange(s). Applicable tariff charges for establishing and provisioning of this trunk group are billed by Smart City to Nextel as described in 5.3.4 below.

A. Landline-to-Wireless:

Local Service Area calls from Smart City customers to Nextel customers shall be routed from Smart City's Lake Buena Vista End Office Switch to Nextel via the direct trunk group.

B. Wireless-to-Landline:

Local Service Area calls originated by Nextel's customers within MTA No. 13 (Tampa-St. Petersburg-Orlando) or customers of another CMRS provider that has entered into roaming arrangement with Nextel, while roaming in MTA No. 13, to Smart City's customers shall be routed from Nextel's network via the direct trunk group to Smart City's Lake Buena Vista End Office Switch for termination by Smart City to its customers, as appropriate.

4.2 Indirect Traffic to Smart City: To the extent that Nextel and other area ILECs have entered into or may enter into contractual arrangements for the delivery of Nextel traffic to Smart City's network (i.e. traffic that is not covered elsewhere in this Agreement) for termination to Smart City's customers, Smart City will accept this traffic subject to compensation arrangement as outlined in Section 5 below.

5.0 COMPENSATION

5.1 Traffic Subject to Reciprocal Compensation.

Reciprocal compensation is applicable for Transport and Termination of Local Telecommunications Traffic as defined in Section 1.15 and is related to the exchange of traffic described in Section 4 and in Attachment A, as applicable. For the purposes of billing compensation for Local Telecommunications Traffic, billed minutes will be based upon actual usage recorded and/or records/reports provided by the transiting carrier. Measured usage begins when the terminating recording switch receives answer supervision from the called end-user and ends when the terminating recording switch receives or sends disconnect (release message) supervision, whichever occurs first. The measured usage is aggregated at the end of the measurement cycle and rounded to a whole minute. Billing for Local Telecommunications Traffic shall be based on the aggregated measured usage less traffic recorded as local that is Non-Local Telecommunications Traffic.

The Parties agree to bill each other for Local Telecommunications Traffic as described in this Agreement unless the traffic exchanged between the Parties is balanced

and falls within a certain threshold (“Traffic Balance Threshold”). The Traffic Balance Threshold will be determined by quarterly review of the Traffic Factor described in Section 5.3.4 below and listed in **Appendix A**. Given that the Parties exchange all Local Telecommunications Traffic over the direct trunk group, when the actual usage data for the quarter reviewed indicates that the average Traffic Factor falls between 55% / 45% in either the wireless-to-landline or landline-to-wireless direction, then the Parties will exchange traffic without billing the Reciprocal Compensation per minute rate. Once the Traffic Balance Threshold has been reached, there will be no billing for Reciprocal Compensation on a going forward basis unless otherwise agreed to by both Parties. The Parties’ agreement to eliminate a Reciprocal Compensation per minute rate carries with it the precondition regarding the Traffic Balance Threshold discussed above. As such, the two points have been negotiated as one interrelated term containing specific rates and conditions, which are non-separable for purposes of Section 16, hereof.

The rate for Reciprocal Compensation is listed in **Appendix A**.

5.2 Traffic Subject to Switched Access Compensation.

Parties agree that traffic rated and recorded as Local Telecommunications Traffic, may originate or terminate in another MTA, and therefore is Non-Local Telecommunications Traffic and subject to Switched Access Compensation.

Switched Access Compensation is applicable to all Non-Local Telecommunications Traffic exchanged between Smart City and Nextel, to the extent that such traffic is not handed off to an IXC. Nextel shall compensate Smart City at Smart City’s interstate Switched Access rates for all such Non-Local Telecommunications Traffic.

5.3 Calculation of Payments and Billing.

5.3.1 Smart City shall compensate Nextel for Local Telecommunications Traffic that is delivered by Smart City to Nextel, as prescribed in Section 4.1 and in Attachment A, as applicable, and at the rate provided in Section 5.1. Nextel will compensate Smart City for Local Telecommunications Traffic delivered to Smart City for termination to its customers, as prescribed in Sections 4.1, 4.2, and in Attachment A, as applicable and at the rate provided in Section 5.1; and for Access Traffic exchanged between Nextel & Smart City, as prescribed and at the rates provided in Section 5.2.

5.4.2 Nextel shall prepare a monthly billing statement to Smart City, reflecting the calculation of Reciprocal Compensation due Nextel. Smart City shall prepare a monthly billing statement to Nextel, which will separately reflect the calculation of Reciprocal Compensation, Switched Access Compensation, and total compensation due Smart City.

5.4.3 Recognizing that Smart City has no way of measuring the Non-Local Telecommunications Traffic, in the event that Nextel does not track the usage information or perform periodic (quarterly or semi-annual) traffic studies required to identify the Non-Local Telecommunications Traffic originated or terminated by Smart City, Parties agree to a default factor of 0% as an estimate of Non-Local Telecommunications Traffic. The actual recorded usage shall be the basis for billing, when available and verifiable.

5.4.4 Where direct interconnection facilities are used for traffic exchanged between the Parties, the charges for such facilities provided by Smart City shall be shared based on each Party's proportion of originating traffic to total traffic exchanged between the Parties, in accordance with this Agreement. This percentage is referred to as the Traffic Factor and is listed in **Appendix A** of this Agreement. The charges for such facilities, excluding cost of new construction, provided and billed by Smart City shall be reduced by applying the Traffic Factor in **Appendix A**. The Parties agree to review these percentages on a periodic basis and, if warranted by the actual usage, revise the Traffic Factor appropriately.

5.4.5 Each party may request to inspect, during normal business hours, the records which are the basis for any monthly bill issued by the other Party and to request copies thereof provided that the requested records do not exceed 12 months in age from the date the monthly bill containing said record information was issued.

6.0 NOTICE OF CHANGES

If a Party contemplates a change in its network, which it believes will materially affect the inter-operability of its network with the other Party, the Party making the change shall provide at least ninety (90) days advance written notice of such change to the other Party.

7.0 GENERAL RESPONSIBILITIES OF THE PARTIES

7.1 The Parties are each solely responsible for participation in and compliance with national network plans, including The National Network Security Plan and The Emergency Preparedness Plan. Neither Party shall use any service related to or use any of the Services provided in this Agreement in any manner that prevents other persons from using their service or destroys the normal quality of service to other carriers or to either Party's customers, and subject to notice and a reasonable opportunity of the offending Party to cure any violation, either Party may discontinue or refuse service if the other Party violates this provision.

7.2 Each Party is solely responsible for the services it provides to its customers and to other Telecommunications Carriers.

7.3 Each Party is responsible for obtaining Local Exchange Routing Guide ("LERG") listings of the Common Language Location Identifier ("CLLI") assigned to its switches.

7.4 SS7 Out of Band Signaling (CCS/SS7) shall be the signaling of choice for interconnecting trunks where technically feasible for both Parties. Use of a third-party provider of SS7 trunks for connecting Nextel to the Smart City SS7 systems is permitted. Such connections will meet generally accepted industry technical standards.

7.5 Each Party shall be responsible for its own independent connections to the 911/E911 network.

8.0 TERM AND TERMINATION

8.1 Subject to the provisions of Sections 14, the initial term of this Agreement shall be for one-year term ("Term") which shall commence on the Effective Date. This Agreement shall continue in force and effect thereafter, on a month-to-month basis, until replaced by another agreement or terminated by either Party upon (sixty) 60 days written notice to the other. In the case of termination or renegotiation of this Agreement, the Parties agree that all rates, terms and conditions of this Agreement shall remain in effect until replaced by a subsequent executed agreement.

8.2 The Parties agree that disputed and undisputed amounts due under this Agreement shall be handled as follows:

8.2.1 If any portion of an amount due to a Party (the "Billing Party") under this Agreement is subject to a bona fide dispute between the Parties, the Party billed (the "Non-Paying Party") shall, within thirty (30) days of its receipt of the invoice containing such disputed amount, give written notice to the Billing Party of the amounts it disputes ("Disputed Amounts") and include in such notice the specific details and reasons for disputing each item. The Non-Paying Party shall pay when due all undisputed amounts to the Billing Party. The Parties will work together in good faith to resolve issues relating to the disputed amounts. If the dispute is resolved such that payment of the disputed amount is required, whether for the original full amount or for the settlement amount, the Non-Paying Party shall pay the full disputed or settlement amounts with interest at the lesser of (i) one and one-half percent (1-1/2%) per month or (ii) the highest rate of interest that may be charged under Florida's applicable law. In addition, the Billing Party may initiate a complaint proceeding with the appropriate regulatory or judicial entity, if unpaid

undisputed amounts become more than 90 days past due, provided the Billing Party gives an additional 30 days notice and opportunity to cure the default.

8.2.2 Any undisputed amounts not paid when due shall accrue interest from the date such amounts were due at the lesser of (i) one and one-half percent (1-1/2%) per month or (ii) the highest rate of interest that may be charged under Florida's applicable law.

8.2.3 Undisputed amounts shall be paid within thirty (30) days of receipt of invoice from the Billing Party.

8.2.4 Invoices shall be sent to:

Nextel South Corp.	Smart City Telecom
Nextel Communications Attn: Telco Cost Management 2001 Edmund Halley Dr. Reston, VA 20191	Smart City Telecom Attn: Bill Huttenhower P.O. Box 22555 3100 Bonnet Creek Rd (Overnight Only) Lake Buena Vista, FL 32830-2555

8.3 Upon termination or expiration of this Agreement in accordance with this Section:

- (a) Each Party shall comply immediately with its obligations as set forth above;
- (b) Each Party shall promptly pay all amounts (including any late payment charges) owed under this Agreement;
- (c) Each Party's indemnification obligations shall survive termination or expiration of this Agreement.

8.4 Either Party may terminate this Agreement in whole or in part in the event of a default of the other Party, provided, however, that the non-defaulting Party notifies the defaulting Party in writing of the alleged default and the defaulting Party does not implement mutually acceptable steps to remedy such alleged default within thirty (30) days after receipt of written notice thereof.

9.0 CANCELLATION CHARGES

Except as provided herein, no cancellation charges shall apply.

10.0 NON-SEVERABILITY

10.1 The services, arrangements, terms and conditions of this Agreement were mutually negotiated by the Parties as a total arrangement and are intended to be non-severable.

10.2 Nothing in this Agreement shall be construed as requiring or permitting either Party to contravene any mandatory requirement of federal or state law, or any regulations or orders adopted pursuant to such law.

11.0 INDEMNIFICATION

11.1 Each Party (the "Indemnifying Party") shall indemnify and hold harmless the other Party ("Indemnified Party") from and against loss, cost, claim liability, damage, and expense (including reasonable attorney's fees) to customers and other third parties for:

(1) damage to tangible personal property or for personal injury proximately caused by the negligence or willful misconduct of the Indemnifying Party, its employees, agents or contractors;

(2) claims for libel, slander, or infringement of copyright arising from the material transmitted over the Indemnified Party's facilities arising from the Indemnifying Party's own communications or the communications of such Indemnifying Party's customers; and

(3) claims for infringement of patents arising from combining the Indemnified Party's facilities or services with, or the using of the Indemnified Party's services or facilities in connection with, facilities of the Indemnifying Party.

Neither Party shall accept terms of a settlement that involves or references the other Party in any matter without the other Party's approval.

Notwithstanding this indemnification provision or any other provision in the Agreement, neither Party, nor its parent, subsidiaries, affiliates, agents, servants, or employees, shall be liable to the other for Consequential Damages (as defined in Section 12.3).

11.2 The Indemnified Party will notify the Indemnifying Party promptly in writing of any claims, lawsuits, or demands by customers or other third parties for which the Indemnified Party alleges that the Indemnifying Party is responsible under this Section, and, if requested by the Indemnifying Party, will tender the defense of such claim, lawsuit or demand.

(1) In the event the Indemnifying Party does not promptly assume or diligently pursue the defense of the tendered action, then the Indemnified Party may proceed to defend or settle said action and the Indemnifying Party shall hold harmless the Indemnified Party from any loss, cost liability, damage and expense.

(2) In the event the Party otherwise entitled to indemnification from the other elects to decline such indemnification, then the Party making such an election may, at its own expense, assume defense and settlement of the claim, lawsuit or demand.

(3) The Parties will cooperate in every reasonable manner with the defense or settlement of any claim, demand, or lawsuit.

12.0 LIMITATION OF LIABILITY

12.1 No liability shall attach to either Party, its parents, subsidiaries, affiliates, agents, servants, employees, officers, directors, or partners for damages arising from errors, mistakes, omissions, interruptions, or delays in the course of establishing, furnishing, rearranging, moving, terminating, changing, or providing or failing to provide services or facilities (including the obtaining or furnishing of information with respect thereof or with respect to users of the services or facilities) in the absence of gross negligence or willful misconduct.

12.2 Except as otherwise provided in Section 11.0, no Party shall be liable to the other Party for any loss, defect or equipment failure caused by the conduct of the first Party, its agents, servants, contractors or others acting in aid or concert with that Party, except in the case of gross negligence or willful misconduct.

12.3 Except as otherwise provided in Section 11.0, no Party shall have any liability whatsoever to the other Party for any indirect, special, consequential, incidental or punitive damages, including but not limited to loss of anticipated profits or revenue or other economic loss in connection with or arising from anything said, omitted or done hereunder (collectively, "Consequential Damages"), even if the other Party has been advised of the possibility of such damages.

13.0 DISCLAIMER

EXCEPT AS OTHERWISE PROVIDED HEREIN, NEITHER PARTY MAKES ANY REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY WARRANTY AS TO MERCHANTABILITY OR FITNESS FOR INTENDED OR PARTICULAR PURPOSE WITH RESPECT TO SERVICES PROVIDED HEREUNDER. ADDITIONALLY, NEITHER PARTY ASSUMES ANY RESPONSIBILITY WITH

REGARD TO THE CORRECTNESS OF DATA OR INFORMATION SUPPLIED BY THE OTHER PARTY WHEN THIS DATA OR INFORMATION IS ACCESSED AND USED BY A THIRD-PARTY.

14.0 REGULATORY APPROVAL

The Parties understand and agree that this Agreement will be filed with the Commission, and to the extent required by FCC rules may thereafter be filed with the FCC. Each Party covenants and agrees to fully support approval of this Agreement by the Commission or the FCC under Section 252(e) of the Act without modification. The Parties, however, reserve the right to seek regulatory relief and otherwise seek redress from each other regarding performance and implementation of this Agreement. In the event the Commission or FCC rejects this Agreement in whole or in part, the Parties agree to meet and negotiate in good faith to arrive at a mutually acceptable modification of the rejected portion(s). Further, this Agreement is subject to change, modification, or cancellation as may be required by a regulatory authority or court in the exercise of its lawful jurisdiction.

The Parties agree that their entrance into this Agreement is without prejudice to any positions they may have taken previously, or may take in future, in any legislative, regulatory, judicial or other public forum addressing any matters, including matters related to the same types of arrangements covered in this Agreement.

15.0 CHANGE IN LAW

The Parties acknowledge that the respective rights and obligations of each Party as set forth in this Agreement are based on the text of the Act and the rules and regulations promulgated thereunder by the FCC and the Commission as of the Effective Date ("Applicable Rules"). In the event of any amendment to the Act, any effective legislative action or any effective regulatory or judicial order, rule, regulation, arbitration award, dispute resolution procedures under this Agreement or other legal action purporting to apply the provisions of the Act to the Parties or in which the FCC or the Commission makes a generic determination that is generally applicable which revises, modifies or reverses the Applicable Rules (individually and collectively, Amended Rules), either Party may, by providing written notice to the other party, require that the affected provisions of this Agreement be renegotiated in good faith and this Agreement shall be amended accordingly to reflect the pricing, terms and conditions of each such Amended Rules relating to any of the provisions in this Agreement.

16.0 MOST FAVORED NATION PROVISION

In accordance with Section 252(i) of the Act, Nextel shall be entitled to obtain from Smart City any Interconnection/Compensation arrangement provided by Smart City to any other CMRS provider that has been filed and approved by the Commission, for services described in such agreement, on the same terms and conditions.

17.5 Confidentiality.

17.5.1 Any information such as specifications, drawings, sketches, business information, forecasts, models, samples, data, computer programs and other software and documentation of one Party (a Disclosing Party) that is furnished or made available or otherwise disclosed to the other Party or any of its employees, contractors, or agents (its "Representatives" and with a Party, a "Receiving Party") pursuant to this Agreement ("Proprietary Information") shall be deemed the property of the Disclosing Party. Proprietary Information, if written, shall be clearly and conspicuously marked "Confidential" or "Proprietary" or other similar notice, and, if oral or visual, shall be confirmed in writing as confidential by the Disclosing Party to the Receiving Party within ten (10) days after disclosure. Unless Proprietary Information was previously known by the Receiving Party free of any obligation to keep it confidential, or has been or is subsequently made public by an act not attributable to the Receiving Party, or is explicitly agreed in writing not to be regarded as confidential, such information: (i) shall be held in confidence by each Receiving Party; (ii) shall be disclosed to only those persons who have a need for it in connection with the provision of services required to fulfill this Agreement and shall be used by those persons only for such purposes; and (iii) may be used for other purposes only upon such terms and conditions as may be mutually agreed to in advance of such use in writing by the Parties. or is hereafter disclosed, through no act, omission or fault of such Party, in any manner making it available to the general public.

Each Party shall be solely responsible for the cost and effort of accommodating such changes in its own network.

The terms contained in this Agreement and any Schedules, Exhibits, tariffs and other documents or instruments referred to herein are hereby incorporated into this Agreement by reference as if set forth fully herein, and constitute the entire agreement between the Parties with respect to the subject matter hereof, superseding all prior understandings, proposals and other communications, oral or written.
