RE: Docket No. 030350-WS - Petition by Sanlando Utilities Corporation for approval of allowance for funds used during construction (AFUDC) rate in Seminole County

On September 18, 2003, Sanlando Utilities Corporation filed a Notice of Dismissal of its Petition for approval of an AFUDC rate in Seminole County. Section 2.07(C)(5)d of the Administrative Procedures Manual states that:

The Division of the Commission Clerk and Administrative Services may administratively close dockets as described below upon the joint recommendation of the OPR division and the Office of the General Counsel.

d. Other dockets initiated by the filing of a petition, application, notice, complaint or other request in which the applicant, petitioner or complainant seeks to withdraw its initial pleading and staff has determined that there are no pending issues that need to be addressed by the Commission regarding the filing, no request for refund of filing fee has been made, and no agency action has been taken.

Since Sanlando Utilities Corporation has withdrawn its initial pleading and no agency action has been taken, this docket should be administratively closed.
