Yes, it could have been. In fact, I reread the company's e-mail to me and it stated that payment was mailed under separate cover, so hopefully that is what they did. I'll give it a couple of days, then check with Fiscal. Thanks Ruth!

Not, that I can see in the letter, but do you think it may have been forwarded to Fiscal?

Yes, it needs to be documented in Docket 030658-TX. The company had told me that it was going to pay the 2002 and 2003 RAFs for both certificates. Was payment not included?

Good morning. I have a letter from company, it references Docket 030658, which is where I will place this letter, unless you let me know otherwise; in the letter they are requesting voluntary cancellation and surrender of both of [TX0605 and TJ569] authorizations; they state, current RAFs have been filed and all RAFs have been paid. Please let me know what you'd like to do with letter. Thanks.
