THE PRELIMINARY TEXT OF THE PROPOSED RULE DEVELOPMENT IS:

25-6.0435 Interim Rate Relief.

- (1) Each electric utility petitioning for interim rate relief pursuant to s. 366.071, F.S., shall file the data required by in Schedules 2 through 14, 17, and 23, in Rule 25-6.043(1)(a). In addition, a schedule shall be submitted calculating the interim relief in accordance with s. 366.07, F.S., and allocation factors by functional group approved in the company's last rate case.
- shall be divided by interim test year base rate revenues to derive a percentage increase factor. The percentage increase factor shall be applied uniformly to all existing base rates and charges to derive the interim base rates and charges. Interim rates shall apply across the board based on base rate revenues for the test

period less embedded fuel revenue by rate schedule. The resulting dollar amount shall be divided by base rate revenues per rate schedule to determine the percent increase applied to each rate schedule.

(b) In determining the interim increase, the following data shall be provided: KWH sales; base rate revenue less base fuel revenue; base fuel revenue; total base rate revenue; fuel adjustment revenue; total revenue. The interim increase shall be shown by dollar amount and percentage by rate schedule in the following manner:

authorized by the Commission and any refund shall be made with an

interest factor determined by using the 30-day commercial paper

rate for highgrade, unsecured notes, sold through dealers by major

corporations in multiples of \$1,000 as regularly published in the

Wall Street Journal. The annual rate as published on the first day

of the current business month would be added to the rate as

published on the first day of the subsequent business month and

halved to obtain the simple average rate to be applied in that

month. This rate of interest would be applied to the refund amount

for that month. The amount of interest calculated would be added to

the beginning balance of the following month so as to accomplish

the compounding of the interest feature of the refund provision.
