Re: PSC Requirement – Local Switched Services
Indemnity Bond #45040042/Greenwich Insurance Co.
Expiring 10/29/03

Dear Ms. Bayo:

We are in the process of renewing bond #45040042 that expires October 29, 2003. I recently called Public Service Commission inquiring about this bond and was told it might not have to be renewed due based on the new Telecommunications Act passed in May, 2003

Please advise if this replacement bond will be needed. Also, we will need name, address and telephone number of person who has the above referenced bond in their possession. We will be contacting that party to obtain a return of the bond and to get a release letter signed.

Thanks for your cooperation.

Sincerely,

Dennis Cooke

I did track down a docket (agreement) where the bond from last year was place, Docket 020535. I will copy to that docket and of course place the filing in undocketed since that Docket 020535 has been archived for sometime now. Thanks for your help.

Good morning. I have a filing from Xspedius, they are wanting advice on replacement of bond needed; they were told by PSC that it might not have to be renewed based on new Act passed in 5/03. Anyone specific that you'd like for me to send hard copy to? And I will place this filing in undocketed. Thanks, Jackie.
