Very good. That's what I thought, but I has to check with you anyways in case I missed something. I will place the filing in undocketed.

Thanks for your help.

You do not need to do anything because stock transactions no longer require Commission approval.

Good morning. We have received a filing from Local Line America. I noticed in the letter head that other names are also used (ex. EZ Phone, Telefono Facil). But this is the description of the DN in CMS/undocketed.

Local Line America, Inc. (Wendell) - Letter advising Infexion Communications Corporation has entered into stock purchase agreement on 9/16/03 with Local Line America, Inc.; transaction will result in change of control and ownership of Local Line America, Inc.; new management contact information provided.

I was wondering if I need to do anything with this filing. I will send you a copy of the filing for review this afternoon. Did you want me to forward this e-mail to one of your staff members?
