Dear Ms. Lovelace:

I've attempted to return your call twice from yesterday, September 30<sup>th</sup>, but the privacy director recording states that you are not available and try the call later.

Before staff can recommend voluntary cancellations of your two certificates, the 2003 Regulatory Assessment Fee must be paid. I'm attaching the 2003 Regulatory Assessment Fee return forms for both certificates. As soon as the forms and payment are received, staff will docket your request for cancellation.

Let me know if you have any questions.

Dear Ms. Lovelace:

I attempted to call you at 3:52 p.m., but the privacy protector recording advised there was no answer on your end and to try the call later. Instead of playing "phone tag", I decided to try this via e-mail. The company owes the 2003 Regulatory Assessment Fees on both certificates. If you need the Regulatory Assessment Fee return forms, let me know your fax number and I'll fax them to you (they are not on-line so I can't attach them to this e-mail). As soon as the forms and payment are received, a docket will be established to grant Pan American a voluntary cancellation.

Let me know if you have any questions. Thanks,

authorize them individually to provide ALEC services throughout the State of Florida.

<u>ENTITY'S NAME</u>	<u>CERTIFICATE NO.</u>
Intertoll Communications Network Corporation	8075
Pan American Telecom, Incorporated	8076

If this Order becomes final and effective, it will serve as each entity's certificate. Each entity should, therefore, retain this Order as proof of certification. We are vested with jurisdiction on this matter pursuant to Sections 364.335 and 364.337, Florida Statutes.

ALEC providers are subject to Chapter 25-24, Florida Administrative Code, Part XV, Rules Governing Telecommunications Service Provided by Alternative Local Exchange Companies. ALEC providers are also required to comply with all applicable provisions of Chapter 364, Florida Statutes, and Chapter 25-4, Florida Administrative Code.

Pursuant to Section 364.337(2), Florida Statutes, basic telecommunications service provided by an ALEC "... must include access to operator services, "911" services, and relay services for the hearing impaired." Further, Section 364.337(2), requires that an ALEC's "911" service "... shall be provided at a level equivalent to that provided by the local exchange telecommunications company serving the same area."

In addition, under Section 364.336, Florida Statutes, certificate holders must pay a minimum annual Regulatory Assessment Fee (RAFs) of \$50 if the certificate was active during any portion of the calendar year. A RAfs Return notice will be mailed each December to each of the entities listed above for payment by January 30th. Neither the cancellation of its certificate nor the failure to receive a RAfs Return notice shall relieve any of these entities from its obligation to pay RAfs.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that we hereby grant, to the entities listed herein, certificates to provide Alternative Local Exchange Telecommunications services,
