RE: Request for Intervener Status

Dear Ms Bayo:

I would like to request Intervener status so that I can take an active part in the Public Service Commission hearing that will be held with respect to the Consumers' problems with the Aloha Utility Inc of New Port Richey Florida. I am currently an elected member of the Consumers Advisory Committee that was formed by a direct order of the PSC whose mandate or goal is to seek a solution to the Consumers' complaints with Aloha Utilities Inc. Could you please expedite my request as soon as possible so that I can better serve the consumers that I was elected to help.

Sincerely

Harry Hawcroft
