or Ownership of NUI Telecom, Inc. to) Docket No.

To the Commission:

PETITION FOR AUTHORITY TO TRANSFER CONTROL

NUI Telecom, Inc. (the "Company") by its attorneys, hereby respectfully requests that the Commission approve the proposed transfer of control of the Company from its current shareholder, NUI CAPITAL CORP. ("NUI" or "Seller"), to Telecom Acquisition Company, LLC ("TAC" or "Purchaser" and together with Seller the "Petitioners,") through the sale of the Company's stock. Petitioners do not seek to transfer the Company's operating authority in connection with this transaction. The Petitioners request expedited treatment of this petition in order to permit the consummation of the transaction without undue delay.

THE PARTIES

1. NUI is a Delaware corporation and the Company is a New Jersey corporation. The Company was previously certified as a reseller of local and intrastate long distance telecommunications services in Florida. The Company is currently authorized as a reseller of intrastate interexchange telecommunication services in 49 states and has local exchange authority in 22 states.

TRANSFER OF CONTROL

4. TAC has reached an agreement with the Sellers whereby TAC will acquire all outstanding shares of capital stock ("Shares") of the Company, subject to certain regulatory approvals. Specifically, the proposed transfer of control will occur pursuant to the Stock Purchase Agreement between TAC and NUI Capital Corp. ("Agreement"). Under this Agreement, Seller agrees to sell, assign, transfer, and deliver to Purchaser, and Purchaser agrees to purchase, assume, and receive from Seller, all of Seller's right, title, and interest at the Closing in all the capital stock of the Company.

QUALIFICATIONS OF TRANSFEREE

5. Richard Boudria organized NUI Telecom, Inc. on April 14, 1994. The Company flourished for many years due to Mr. Boudria's dedication to quality and service. In April 2000, Mr. Boudria sold the Company to NUI Capital Corp. On May 21, 2003, Mr. Boudria organized TAC to repurchase the Company. TAC is a privately held limited liability company financially qualified to acquire control of the Company and its business. A copy of TAC's balance sheet is attached as **Exhibit A**.

6. Under new ownership, the Company will continue to be led by the same team of well-qualified telecommunications professionals. PUBLIC INTEREST

7. The transfer of control of the Company from its current shareholder to TAC is in the public interest. This transaction will enhance the Company's ability to compete in the market for telecommunication services in Florida and elsewhere. After the transfer of control, the Company will continue to operate as it has in the past, using the same tariff, operating authority, and same name. Thus the transfer of control will be transparent to, and will have no adverse impact upon the Company's customers.

8. TAC intends to retain all key Company personnel, including senior management personnel. Thus, the transfer of ownership or control will be transparent to, and have no adverse impact upon the Company's customers. The benefit from increased economies of scale will permit the Company to operate more efficiently and thus to compete more effectively.

9. As a result of this transaction, the Company will have access to the financial resources it needs to introduce new products and services and to respond to competition in the competitive telecommunications environment in Florida. Over time, consumers in Florida will benefit from a greater number of products and service options, as well as lower prices.

WHEREFORE, the Petitioners respectfully request that the Commission expedite the authorization of the transfer of control of the Company to TAC so that the transaction may proceed without undue delay.

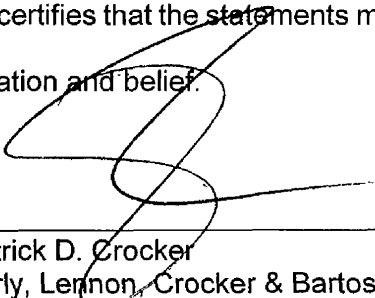

Respectfully submitted

NUI Telecom, Inc., NUI Capital Corporation, and
Telecom Acquisition Company, LLC

I have for filing, NUI Telecom, Inc. requesting approval of proposed transfer of control of company from current shareholders, NUI Capital Corp., to Telecom Acquisition Company, LLC, through sale of company's stock.

In style of pleading presented:

Does this have to be docketed?

BTW, this company has CLEC (TX400) and IXC registration (TI597).

I can place this in undocketed^e if you'd like to review the petition before docketing, let me know as soon as you can. thanks.
